Allergen Statement

Natural Seedless Raisins, Organic Seedless Raisins, Other Seedless Raisins, Raisin Paste, Raisin Juice Concentrate, Flame, and Zante Currants processed by Boghosian Raisin Packing Company, Inc. are free from the following:

Peanuts	Wheat
Tree Nuts	Buckwheat (Soba)
Shellfish	All seafood
Fish	Orange
Eggs	Kiwi
Milk (dairy products)	Banana
Soy	Apple
Gluten	Gelatin
Sesame seeds	All mushrooms
Mustard	Pork
Mollusks	Beef
Celery	Chicken
Lupin	Sesame
MSG	
High Fructose Corn Syrup	

We have none of the above listed items in our facility. We only have raisins!

*Sulfites – Golden raisins are manufactured using Sulfur Dioxide to preserve the color. This allows for the development of the characteristic golden color of Golden raisins. As a result, Golden raisins may contain 2,500 ppm or more of residual sulfites.

*Golden Seedless Raisins are stored and processed separately, with a thorough Wash-down after every run. Processing equipment is swabbed to ensure it is free of any/all sulfite residues before it is used again.
