## **Gluten Free Statement**

Revised: 05/15/2018

Iowa Corn Processors is a Corn Dry-Milling manufacturing company that produces quality dry-milled products only from Corn.

Our products are considered Gluten Free and are certified as such through the Gluten Intolerance Group of North America. All of our products carry the Gluten Free symbol as seen below.

We do not handle, store or process any gluten contain grains such as: Wheat, Oats, Barley or Triticale at our facility.
