**Satin Fine Foods, Inc.
Lot Number Code Explanation**

Satin Fine Foods uses a lot identification number which associates a single batch of either fondant or gum paste that is produced in our manufacturing plant. This allows Satin Fine Foods to perform a traceability of all raw materials that made up the single batch along with the final product and be able to recall the batch should food safety problem occur.

The Satin Fine Foods lot identification number is coded as follows

<u>5</u>	<u>001</u>	<u>123</u>
Year	Julian (Ordinal) Date	Lot Number
