TECNOLOGÍA NAVARRA DE NANOPRODUCTOS, S.L. – TECNAN, located at Perguita Industrial Zone, C/A, Nr. 1, P.C.:31210 – Los Arcos (Navarre – Spain), declares that the coating with easy to clean properties called **MAGIC DROP**, meets the relevant requirements stated by the following standards:

- Regulation (CE) 1935/2004 of the European Parliament and the Council, of the 27<sup>th</sup> of October of 2004, on materials and articles intended to come into contact with food, and by which Directives 80/590/EEC and 89/109/EEC are repealed.
- Directive 2005/31/CE of the Commission, of the 29<sup>th</sup> of April of 2005, amending Directive 84/500/EEC of the Council regarding the statement of compliance and performance criteria for the analysis of ceramic objects intended to come into contact with food.

The product has been manufactured according to the relevant requirements of the Regulation (CE) N°2023/2006 of the Commission, on good manufacturing practice for materials and articles intended to come into contact with food.

The chemical composition of the product MAGIC DROP consists of a mixture of oleophobic and hydrophobic active agents.

Migration tests of the afore mentioned product have been carried out according to Directive 2005/31/CE, and have demonstrated that migration limits have not been exceeded in any case.

The Sensory testing of the product at issue, carried out according to the 3<sup>rd</sup> Article of Regulation (CE) N° 1935/2004 of the European Parliament and of the Council, of the 27<sup>th</sup> of October of 2004, has evidenced that the organoleptic properties of foods are not altered at all.

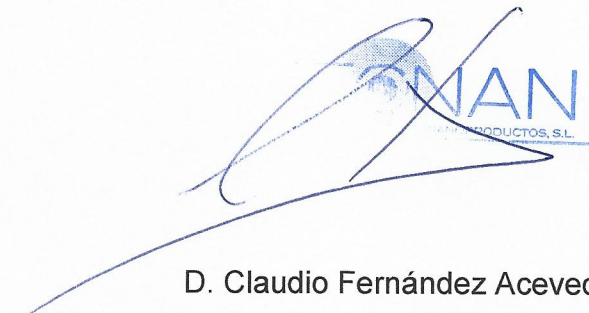

Product traceability is guaranteed in accordance with Regulation (EC) No. 1935/2004.

This statement of compliance applies to the product delivered as specified above.

The information in this document is valid from the stated version date and until this document is superseded.

Due to possible changes in legislation and underlying regulations, as well as due to possible changes in our products, we cannot guarantee that the status of this document remains unchanged. We, therefore, advise our customers to periodically verify the regulatory status. It will be renewed when compliance of the product with the previous statements is not guaranteed.
