**Item:** 0903

White Non-Window Bakery boxes are made of clay-coated kraft paperboard, which is white on the outside and brown on the inside. Each one piece box has an attached tuck-in lid, and can be used to hold and carry a variety baked goods. The lock corners facilitate assembly and enable the box to be folded flat for storage or transport. The clay-coated exterior can be custom printed with a logo or a business name. Paperboard is thicker and more rigid than paper and can be recycled or composted.
