Product Data Sheet

Country of Origin

This is to certify that all items produced at Dawn Food Product facilities are manufactured in the United States of America from domestic and imported ingredients.

GMO

Dawn Food Products produces products which include mixes, bases, wet goods (icings, fillings and glazes) and finished frozen products and hereinafter will be referred to as Dawn Products. Dawn Products utilizes raw ingredients that could originate from GMO seeds.

Micro Statement

Microbiological limits are monitored and are not tested on each batch manufactured.

Food Grade -

Our suppliers use all US FDA certified components in the finished packaging product. Use of these packages is subject to good manufacturing practices and any limitations which are part of applicable food production regulations.

SDS -

It is our opinion that "Safety Data Sheets" (SDS) are not required for our Dawn Products based on the definition of "Chemical Hazard" as defined in OSHA "Hazard Communication" Rule, 29 CFR 1910.1200. Dawn Products as food items are best protected when stored according to product specifications.
