STORAGE – SHELF LIFE
If kept in its original and sealed packaging and stored in a cool and dry place (59°F-68°F/15°C-20°C, RH% ≤ 65) the product will keep its original characteristics for 3 years.

**NOTES:** Use of this product under recommended guidelines poses no hazardous risks or exposure in normal conditions, thereby negating the need for a Safety Data Sheet (SDS). Products are intended for industrial usage and not labeled for retail sale or direct consumption. PreGel America reserves the right to make any modifications to the product when it has been determined necessary to improve quality or functionality. If changes have been made they will be reflected on this specification sheet indicated with the Revision Number and Date. The product label will also be modified to reflect those changes.
