## **ENRICHED YELLOW CORN FLOUR**

### **#600**

Reviewed 09/18

#### Product Description:

Iowa Corn Processors is in the heart of the Iowa Corn Belt in Glidden, Iowa. Excellent quality corn and a unique process which removes the germ particles at the beginning of the process, enables Iowa Corn Processors to keep tight control of our products.

All our corn products are milled from cleaned, tempered corn of sound quality. Iowa Corn Processors further Guarantees that these products are made under cGMP's and are not adulterated or misbranded within the meaning of the Federal Food, Drug, and Cosmetic Act of 1938.

FSMA Hazard Requiring a Preventive Control: This product is not processed to control Microbial Pathogens and therefore must undergo further processing. This is not a ready-to-eat product.

<b>Analysis</b>	<b>Minimum</b>	<b>Maximum</b>	<b>Granulation: US Sieves</b>	<b>Minimum</b>	<b>Maximum</b>
<b>Moisture, %</b>	9.5	12.5	<b>On US 30 Wire</b>	0.0%	0.5%
<b>Crude Fat, % (As Is)</b>	0.8	1.1	<b>On US 60 Wire</b>	0.0%	5.0%
<b>Ash, % (As Is)</b>	0.3	0.7	<b>On US 100 Wire</b>	20.0%	50.0%
<b>Protein, % (As Is)</b>	5.5	7.5	<b>Pan</b>	44.0%	80.0%
<b>Crude Fiber, % (As Is)</b>	0.3	0.6			

Ingredient Declaration: Enriched Yellow Corn Flour (Yellow Corn Flour, Niacin, Iron, Thiamin, Riboflavin, Folic Acid)

#### Ingredient Breakdown Percentages:

<b>Component</b>	<b>Minimum</b>
Degerminated Yellow Corn Meal	99.9991402%
Niacin	0.0035274%
Iron (Ferrous Sulfate)	0.002866%
Thiamin	0.0004409%
Riboflavin	0.0002646%
Folic Acid	0.0001543%

Allergens: Certified Gluten Free through the Gluten Intolerance Group of North America.

Kosher Status: Manufactured under the Kashruth Division of the Judaic Resource Center of Iowa.
