

Quality Assurance Department

Product: Premium High Gluten - FD

Product Description: Miller Milling Company produces all of their wheat products from cleaned, tempered wheat of sound quality. The Miller Milling Company further Guarantees that these products are made under current GMP's and are not adulterated or misbranded within the meaning of the Federal Food, Drug, and Cosmetic Act of 1938. Subsequent to manufacture, this flour is sifted prior to packaging or loading and are stored in clean facilities appropriate for the storage of food materials.

FSMA Hazard Requiring a Preventive Control: This product is not processed to control microbial pathogens. This is not a ready-to-eat product.

Product Specifications for Crop Year 2017 - 2018

	Target	Range
Moisture, %	14.3	Max
Ash (14% MB), %	0.54	± 0.03
Protein (14% MB), %	14.0	± 0.3
Falling Number	260	± 30

Ingredient Declaration: Bleached Enriched Flour (Wheat Flour, Malted Barley Flour, Niacin, Reduced Iron, Potassium Bromate, Thiamin Mononitrate, Riboflavin, Folic Acid)

Allergens: Wheat

Kosher Status: Manufactured under the Orthodox Rabbinical Council of San Francisco.

Special Handling and Shelf Life: Up to 180 days when stored in dry, clean, ambient conditions, away from extremes of heat and humidity and absent from sources of infestation and contamination.
