Multi-walled, high density polyethylene lined bag	50 lbs.	2000 lbs.

Food Contaminants

Raw materials are guaranteed food grade in conformity with the applicable legislation on:

- Mycotoxins
- Heavy metals
- Pesticide residues
- Microbiology

Bioterrorism Facility Registration

All Puratos Corporation manufacturing and distribution facilities are registered in compliance with Food Security Bioterrorism Act of 2002. All registration numbers are on file with the FDA.

Food Safety Statement

All Puratos Manufacturing facilities in the United States have implemented and operate under the guidelines of a food safety HACCP program. HACCP training is conducted annually at each location for all employees. Good Manufacturing Practices (GMPs) are part of the prerequisite programs and are strictly adhered to at each facility. Additionally, we have Sanitation Standard Operating Procedures at our facilities, and our facilities are inspected by the FDA and we have maintained a satisfactory rating.

Sifting of Dry Products

All dry bulk ingredients processed at the Pennsauken manufacturing facility are sifted through a screen prior to mixing and a finishing screen prior to final packaging. All bag items used by dry facilities are required to be sifted by our suppliers prior to packaging. We inspect all ingredients upon arrival and verify the manufacturer's Certificate of Analysis for compliance and product safety.

The above information is provided for our customers only (and we accept no liability to any third parties) and reflects our current knowledge and experience. All products are supplied in accordance with our general terms and conditions for sale. We can accept no liability for the effects of any combinations or mixtures of the product which are not conformed to our recommendations. In using the product our customers are reminded to comply with all relevant legal, administrative and regulatory requirements and procedures relating to its use and the protection of the environment.
